

Dear Hiring Team at ramp,

I am writing to express my strong interest in the Software Engineer Internship | Android position at ramp. As a Computer Science student with a solid foundation in software engineering, I bring both technical expertise and a human-centered perspective to solving problems.

My academic background has equipped me with practical skills in programming, data structures, and systems design. Beyond coursework, I have developed projects such as Budget Tracker, where I built a full-stack app to help students track expenses efficiently..

What excites me most about this role is the opportunity to contribute to ramp's mission and to work on projects that push the boundaries of technology. The fact that this position is based in New York, NY (HQ) makes it even more appealing, as it aligns perfectly with my long-term goals of contributing to innovative teams.

I am eager to bring my curiosity, adaptability, and problem-solving skills to ramp. Thank you for considering my application—I would be thrilled to discuss how my skills and passion can add value to your team.

Sincerely,

**\*\*Your Name\*\***
